Dear Valued Supporter,

We are coming together on **September 22, 2018** to celebrate all Community Health Initiative, Haiti (CHI) has accomplished and our ongoing efforts...until the work is done!

CHI has been working in solidarity with our friends and partners in the central region of Haiti since 2012. In our first 5 years, we have brought clean water to families, employed community members to recycle over 20,000 pounds of plastic and aluminum, and trained our Community Health Workers to ensure moms and babies have a happy and safe birth. We have seen nearly 35,000 patients and conducted over 200 surgeries during our seven annual medical and surgical clinics.

We invite you to join us for **CHI 360, A Benefit for Haiti**. This celebration is a fun, festive, Caribbean-inspired event meant to share our mission and values while garnering support for our future work. Each year, this popular event helps us raise nearly \$30,000!

Will you help? Please consider how your business will be a part of this unique event as we come to Minnesota for the first time! We anticipate nearly 250 people will attend from across the US, primarily the Midwest. We would be honored to include you. It is your choice! Will you choose to sponsor with a financial gift, or by contributing items for our live and silent auctions? Either way, Haiti wins!

Your support and partnership is truly appreciated!

Annie Vander Werff
 Executive Director

| 2018 Sponsorship Levels | Lidèchip | Fanmi | Patne | Patwon | Bon Zanmi |
|---|----------|---------------|---------------|-----------|-----------|
| | \$5,000+ | \$2,000-4,999 | \$1,000-1,999 | \$500-999 | \$100-499 |
