

Dear Valued Supporter,

Colorado Nonprofit Registration #: 20173029803

The Community Health Initiative, Haiti (CHI) has a mission to *work in solidarity to create healthy, empowered and self-directed communities in Haiti*. On **September 26, 2020 CHI will host our annual “CHI 360, A Benefit for Haiti” in Golden, CO!**

CHI has been working in solidarity with our friends and partners in the central region of Haiti since 2012. As a result, we have brought clean water to nearly 30,000 families, employed community members to recycle over 20,000 pounds of plastic and aluminum, and trained our Community Health Workers to ensure moms and babies have a safe home birth - reducing infant mortality by 71%. We have seen nearly 35,000 patients and conducted over 200 surgeries.

**Will you help us continue the cause?** On the evening of September 26, we plan to bring together 250 people from around the US - who love Haiti and CHI!

**Our goal is to raise \$40,000!** Funds from this event help to fulfill our mission to maintain current operations while transitioning toward full Haitian run mini-medical clinics. In 2020, we anticipate 4 mini clinics will be held for patients. These mini clinics cost \$3,500 each, and are a powerful way to continue to serve our clients!

**Here's how you can help!** Individuals, families and/or businesses may choose to sponsor the event with a financial gift, or by contributing items for our live and silent auctions. Either way, Haiti wins!

**Your support and partnership are truly appreciated!**
